Why choose Franklin Templeton?

Franklin Templeton has a long-standing commitment to financial professionals founded in the value of advice. With this commitment, we have a team of seasoned professionals and resources dedicated to providing exceptional service to Registered Investment Advisors, bank trusts, and multi-family offices.

Our professionals serve as a knowledgeable guide, representing our broad range of investment strategies and products to meet your clients' needs. We also have the resources and expertise to provide in-depth information and analysis to service your due diligence process.

Look to our team to partner with you to provide:

- Concise market outlooks—analysts' views on multiple asset classes
- Institutional-level thought leadership
- Access to dedicated specialists for each asset class—seasoned professionals in ETFs, global equity markets, fixed income and alternatives
- Portfolio consulting services including a team of CFA charterholders to review your models and provide risk analysis (product agnostic)
- Private funds for qualified investors
