

2018 Net Investment Income DISTRIBUTION ESTIMATES

All amounts subject to change. Estimated net investment income distributions are based on fund earnings to date and may include forecasted amounts through year-end.

Important Legal Information: Distributions are made to those who are registered shareholders of the fund on the record date. Distributions are paid on the pay date. Estimates can change prior to the record date depending on market conditions and number of shares outstanding. All dates and distributions are subject to board approval. Net investment income distribution estimates do not include short- or long-term capital gain distributions the funds may be making. The actual amounts of net investment income shareholders will receive will be reported, along with any short-term capital gain distributions, as Ordinary Dividends on Form 1099-DIV.
