2. Click “Create an Event.”

3. Set your event goal and fill in the details. Takes less than 2 minutes!

4. Review your profile. When complete, click “Publish.”

NOTE: The information provided can be seen by the public. Only provide information you are comfortable sharing publicly.
5. Use your personalized link to share with friends and family through email or social media.

You can add your personalized link to emails and invitations.

All gifts received for your events are also credited towards your overall Spryng college savings goal.

For any Spryng questions, please contact (866) 362-1597.
