**Disclosure for ERISA 408(b)(2) Reporting
May 2025**

A. Background

Section 408(b)(2) of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), requires a “covered service provider” to a retirement plan (“Plan”) to disclose the compensation that it receives in connection with providing services to the Plan. Putnam Fiduciary Trust Company, LLC (“PFTC” and together with its affiliates, “Putnam”), as trustee of the Putnam Stable Value Fund (the “Fund”), in which your Plan has invested, is a covered service provider. This report is designed to meet Putnam’s disclosure obligations under ERISA Section 408(b)(2). Please review it in combination with the Plan’s participation agreement (or investment instructions) as well as the offering statement, declaration of trust, and most recent annual report for the Fund.

Putnam is an indirect, wholly-owned subsidiary of Franklin Resources, Inc. (“Franklin Resources”). Franklin Resources is a global investment management organization operating, together with its subsidiaries, as Franklin Templeton.

B. Explanation of Services

The Fund is a collective trust established and maintained by PFTC. As trustee, PFTC is responsible for making investment decisions for the Fund and managing the Fund’s other affairs and business. PFTC invests the assets in accordance with the investment objective of the Fund, which is described in detail in the offering statement.

PFTC has contracted with its affiliate, Franklin Advisers, Inc. (“FAV”), to provide certain non-discretionary investment advisory services to PFTC in connection with the Fund. PFTC may also make use of the services of other Franklin Resources affiliates to assist with various administrative, operational and other services for the Fund. The fees for these services will be borne by PFTC.

C. Fiduciary Status

PFTC is a fiduciary for the Fund, and accordingly, for your Plan with respect to the assets invested in the Fund. FAV is a fiduciary for your Plan and is an investment adviser registered under the Investment Advisers Act of 1940.

D. Compensation

Management Fee. Your plan pays a management fee equal to 0.20% of the plan’s assets invested in the Fund. This fee is deducted from your assets in the Fund. A portion of the fee may be applied to payments made by PFTC to financial advisors, or other service providers for marketing and servicing expenses and plan administrative costs, as directed from time to time. For more information, see the section entitled “Fees” in the Fund’s offering statement.

Investment Contract Fees and other expenses. The Fund bears embedded expenses associated with the purchase of investment contracts. These third party expenses, which include wrap fees, custody fees and management or subadvisory fees (in the case of a managed SBIC with an unaffiliated investment manager), are reflected in the interest rates credited under the investment contracts to the Fund.

The Fund also bears other expenses, as described further in the offering statement and annual report, such as audit and legal fees. For information on the Fund’s Total Annual Operating Expense Ratio, which includes each of these expenses, please refer to Section E, “Investment Disclosures,” below.

Gifts and Entertainment. PFTC may receive indirect compensation from parties other than the Plan or the Fund in connection with managing the Fund. Putnam employees, including portfolio managers, may receive limited gifts and entertainment from third parties. Under Putnam’s policies and procedures, any gifts and entertainment must be of a reasonable value so they do not influence the nature of the investment advice given to clients, the selection of broker-dealers to execute portfolio trades, or other business decisions.

Termination. There is no fee for termination of services provided by PFTC.
