7 AUTHORIZED SIGNATURES

If you have requested options for transfers to or from your bank account and there is a difference between the Franklin Templeton fund account owner(s) and the bank account owner(s), all bank account owners must sign here and have their signatures guaranteed; and all registered owners signing here must also have their signatures guaranteed. **NOTE:** If the Franklin Templeton fund account is registered to FTB&T as custodian/trustee for a retirement plan or education savings account, or as a custodial account for a minor (UGMA/UTMA) and there is at least one common owner on the Franklin Templeton fund account and the bank account, signature guarantees are not required.

By signing below I certify and agree that if I request transfers to or from my deposit account identified in Section 1 ("Bank Account"), I authorize Franklin Templeton Investor Services, LLC ("Franklin Templeton") to initiate electronic debits and/or credits to the Bank Account identified in Section 1 and on the enclosed voided check or savings account deposit slip, when instructed to do so by me or by my financial advisor, whether online, electronically, by telephone or otherwise (and to make, if necessary, adjusting transfers if any amounts are transferred in error). If the Franklin Templeton account(s) and Bank Account include at least one common owner, I certify that the signature(s) of the Franklin Templeton account owner(s) alone is/are sufficient to authorize debits from the referenced Bank Account.

I understand and agree that this authorization will remain in full force and effect until Franklin Templeton has received notification (whether by telephone or in writing) from one of the Franklin Templeton Fund Account shareholders that this authorization is terminated, and Franklin Templeton and the financial institution have had a reasonable opportunity to act on the notification. I also agree that Franklin Templeton may make additional attempts to debit/credit the Bank Account if the initial attempt fails, and if a transfer is denied by the bank for any reason, Franklin Templeton will discontinue this authorization.

If applicable, please have each signature separately guaranteed by a bank, savings and loan association, trust company, credit union, broker-dealer, or any other "eligible guarantor institution" as defined under the rules adopted by the Securities and Exchange Commission. These institutions often participate in signature guarantee medallion programs such as the Securities Transfer Agent Medallion Program (STAMP). A notary public cannot provide a signature guarantee.

All registered fund account owners must sign this section of the Account Options Form.
