Use this form to transfer and/or distribute assets from a Traditional IRA, Rollover IRA, Roth IRA, Roth Conversion, SEP IRA, SARSEP IRA or SIMPLE IRA due to the death of the owner. This form is not intended for IRA registrations where Putnam Fiduciary Trust Company, LLC (PFTC) is not the trustee of the plan. If you have any questions, please contact your financial intermediary or Putnam Investor Services. All references herein to the singular (i.e., "I" or "my") include the plural as applicable.

Please keep the following points in mind as you complete the appropriate sections of the form:

- You may want to seek tax advice regarding your distribution options. It is the beneficiary's responsibility to follow IRS distribution requirements; otherwise, penalties may apply.
- A certified copy of the account owner's **death certificate** must be provided or already on file at Putnam before any transaction can be completed (additional requirements will apply for a non-resident decedent; contact Putnam for additional information). A certified copy of a **death certificate** must also be provided for any deceased beneficiaries.
- If there are multiple beneficiaries, each beneficiary must complete and return a separate IRA Beneficiary distribution form.
- A signature guarantee/medallion guarantee stamp is required in all cases.
- If you are signing this form in a legal capacity for a beneficiary, you must include the appropriate certified legal documents of appointment as guardian, conservator, attorney-in-fact, etc. **Note:** A legal representative generally cannot designate beneficiaries.
- Please contact Putnam to address any outstanding checks. Checks issued before the account owner's death will require additional documentation in order to be reissued to the decedent's estate. Checks issued after the account owner's death will require reinvestment instructions before the assets can be transferred to a beneficiary. **Note:** A sales charge may apply to reinvestments.
- The Putnam funds do not accept new accounts for non-U.S. residents. If you are not a U.S. resident, the assets will be redeemed in full immediately following the transfer.

## Important information

### **Information for assets received from a Traditional IRA, Rollover IRA, Roth IRA, Roth Conversion, SEP IRA, SARSEP IRA, or SIMPLE IRA:**

A spouse who is the beneficiary of an IRA has the option to transfer the decedent's assets into an IRA in their own name. The IRA will be subject to the terms and conditions of the applicable Putnam IRA Plans and Disclosure Statements.

**Important:** If the decedent passed away after the required commencement of their RMD, any remaining RMD owed in the year of death must be distributed based on the decedent's life expectancy.

For spouse beneficiaries who transfer the assets into an **existing** IRA in their own name, any information provided on this form will **override** the existing registration information. No changes will be made for fields that are left blank. Please note that Rollover IRA registrations will be treated the same as Traditional IRA registrations and that Roth Conversion registrations will be treated the same as Roth IRA registrations with regard to overriding information.

Funds which are not transferred into the spouse's own IRA will be subject to the Beneficiary IRA guidelines below:

- If the decedent passed away prior to the required commencement of his/her RMD, or at any point when the owner of a Roth IRA/Roth Conversion passes away, the spouse beneficiary may elect to take required distributions beginning the year following the decedent's death. The calculation will be based on the longer of the spouse beneficiary's or the decedent's single life expectancy.
- If the decedent passed away after the required commencement of his/her RMD, any remaining RMD owed in the year of death must be distributed based on the decedent's life expectancy. Beginning the year following the decedent's death, the spouse beneficiary may elect to take required distributions based on the longer of the spouse beneficiary's or the decedent's single life expectancy.

**For assets currently held in a Beneficiary retirement account, you must complete the IRA Beneficiary distribution form (FM313N).**

## Section 3 Registration selection

Select one of the following registration options. If no selection is made or if the specific selection is not allowed, the assets will be transferred to a Beneficiary IRA. Assets will be transferred in kind unless otherwise indicated on a separate letter of instruction. If different funds or allocations are indicated, an exchange will take place holding the transfer, which may not be processed on the date of receipt of instructions in good order.

- ☐ Transfer the decedent's IRA to a new/existing Putnam IRA in my name.
- ☐ Transfer the decedent's IRA to a new Putnam Beneficiary IRA.

**Important:** Any distribution requested in Section 4 will be taken from a Beneficiary IRA and will be coded as a death distribution regardless of whether you choose to hold the assets in your own name.

If you request to transfer the IRA into your name:

- Putnam will transfer the remaining account balance after the initial distribution. Subsequent distributions taken from your own IRA will be coded as either a normal or premature distributions depending on your age at the time of distribution. Early distribution penalties may apply for premature distributions.
- If the decedent named in Section 1 passed away in a prior year and the spouse beneficiary named in Section 2 has reached their required beginning date (or will reach it on 04/01 of the following year), Putnam will increase the 12/31 balance of the spousal IRA account to calculate the additional RMD obligation for the current year. Any scheduled RMD payments which remain to be taken will reflect the increased calculation amount. If the spouse beneficiary named in Section 2 does not have an active systematic RMD program, or if there are no remaining distribution dates, the spouse beneficiary must contact Putnam to satisfy any applicable RMD payments. **Note:** The 12/31 adjustment will not apply to Roth IRA/Roth Conversion IRA plans.

## Section 4 Distribution instructions (if applicable)

Skip this section if you do not wish to take any distributions at this time. Distributions requested below will be taken from the Beneficiary IRA. Any distributions will result in a tax reportable event. Please consult a tax advisor for guidance in calculating or satisfying missed RMD payments.

- ☐ The decedent named in Section 1 **passed away in the current year** and had reached their required beginning date. Send me a check/wire to satisfy any remaining required minimum distribution. The distribution will be taken from a beneficiary account proportionately based on current fund allocations. **This option will not be honored for requests received after market close on the last business day of the year of death.**

- ☐ Send me a check/wire for the specific amount(s) transferred from the decedent as indicated below:

Fund number	Dollar amount	Fund number	Dollar amount	Fund number	Dollar amount
<input type="text"/>	\$ <input type="text"/>	<input type="text"/>	\$ <input type="text"/>	<input type="text"/>	\$ <input type="text"/>

- ☐ Send me a check/wire for 100% of the amount transferred from the decedent (close the account)

## Section 5 Income tax withholding (if applicable)

### Federal Income Taxes

Federal income taxes will be withheld at a rate of 10% (except for Roth IRA/Beneficiary Roth IRA plans) unless you elect not to have taxes withheld or provide a different rate below. To determine an appropriate Federal income tax rate, please review IRS Form W-4R. A copy of IRS Form W-4R is appended to the back of this form, however a more current version may be in-effect and available at <https://www.irs.gov>. Please see below for the situations in which Putnam withholds state taxes.

#### IRA federal withholding (except for Roth IRA/Beneficiary Roth IRA plans)

- ☐ Do not withhold federal income tax from my total distribution.
- ☐ Withhold federal income tax at a rate of \_\_\_\_\_ %.
  - ☐ Withhold my taxes from the distribution proceeds, **gross** (this will be the default withholding option if no choice is made).
  - ☐ Withhold my taxes from the remaining account balance, **net**.

#### Roth federal withholding (Putnam will default to no federal withholding for Roth IRA/Beneficiary Roth IRA distributions unless specified below)

- ☐ Withhold federal income tax at a rate of \_\_\_\_\_ %.
  - ☐ Withhold my taxes from the distribution proceeds, **gross** (this will be the default withholding option if no choice is made).
  - ☐ Withhold my taxes from the remaining account balance, **net**.

### State income taxes

Putnam will withhold state income taxes if your address of record is in one of the following states: AR\*, CA, CT\*, DE, IA, KS, MA, ME, MI\*, MN\*, NC, OK\*, OR, VT or the District of Columbia (DC)\*\* and federal income tax is being withheld. State tax withholding requirements vary by state. Please contact your state for additional details.

\*Residents of AR, CT, MI, MN and OK will have state income taxes withheld regardless of federal income tax withholding. To opt out of AR, CT, MI, MN, or OK state income taxes, the appropriate state specific form must be submitted with this distribution request or already on file with Putnam. State withholding is not mandatory for AR, CT, MI, MN, or OK **Roth** distributions.

\*\*Residents of DC will have local income taxes withheld on 100% distributions regardless of federal income tax withholding.

**Note:** Whether or not you elect to have federal and, if applicable, state tax withholding applied, you are responsible for the full payment of federal income tax, any state or local taxes, and any penalties that may apply to your distribution. You may be responsible for estimated tax payments and could incur penalties if your estimated tax payments are not sufficient.

## Section 6 Distribution payment instructions (if applicable)

**Skip this section if you did not request a distribution in Section 4.**

Select your payment instructions below for any distributions requested in Section 4; if no selection/instructions are provided, payment will be made to the beneficiary as registered at the mailing address listed in Section 2 by the U.S. Postal Service (standard delivery). **Do not use this section to request a transfer of assets to an IRA/Beneficiary IRA with a new custodian.** Transfers to an IRA/Beneficiary IRA with another company must be initiated with the receiving company's paperwork and must include a letter of acceptance.

### Reinvest

Proceeds must be reinvested into the same share class. Unless otherwise indicated on a separate letter of instruction or a new account application, proceeds will also be reinvested into the same fund(s) for non-retirement accounts. Investment options must be provided for proceeds reinvested into 529 for America accounts.

- ☐ Into a new/existing Putnam non-retirement account or 529 for America account. Please attach the applicable completed account application when establishing a new account.

Account number (if applicable)

Name(s) of the new/registered owner(s), custodian/minor, trust, organization or business entity (required)

### Electronically deposit into a bank account

- ☐ A preprinted or web-generated voided check/deposit slip or a signed letter from the bank on bank letterhead must be attached. Each of these documents must include: bank name, name(s) as registered on the bank account, routing number and account number. Brokerage checks and investment company checks cannot be used for bank instructions as these checks do not contain the correct wiring information. Contact your investment company to obtain proper wire instructions on signed letterhead. Starter checks will not be accepted. Please do not staple.

**Indicate the type of bank account you would like to use:** ☐ Checking account ☐ Savings account

**Note:** Electronic deposits will be sent by Federal bank wire. Putnam does not assess a fee for electronic transactions; however, some banks/credit unions may assess a fee upon receipt. Please check with your financial institution for information regarding eligibility, fees, and applicable routing number(s) for Federal bank wire transactions.

If you have requested a 100% distribution in Section 4, skip to Section 8. If this section is left blank, no beneficiary will be designated for your account.

**Complete Sections 7A and 7B** to designate primary and contingent beneficiaries respectively for assets payable from the Plan in the event of your death. For each beneficiary, PFTC requires the full name, tax identification number, and date of birth (if applicable). If you name multiple primary or contingent beneficiaries, please specify the percentage each is to receive. If no percentage is specified, your account will be divided among your surviving primary beneficiaries in substantially equal amounts. If no primary beneficiaries survive you, your account will be divided among your surviving contingent beneficiaries. If you do not designate beneficiaries, or if none of your designated beneficiaries survive you, your account will be distributed as follows:

- For Beneficiary IRA registrations, your account will be distributed to your estate.
- For all other IRA registrations, your account will be distributed according to the provisions of the IRA Plans and Disclosure Statements.

- PFTC does not accept customized beneficiary designations (for example, designations which involve multiple contingencies within a primary or contingent beneficiary category) or “per stirpes” designations. All beneficiaries must be designated as either primary or contingent and must include all identifying information referenced above. PFTC generally cannot accept beneficiary designations from attorneys-in-fact, conservators, or guardians. Entities such as trusts or estates cannot designate beneficiaries.
- **Do not list both primary and contingent beneficiary designations on the same page.** If you wish to designate more than four primary beneficiaries and/or more than four contingent beneficiaries, you must include a separate sheet of paper with the additional designation. The separate sheet of paper must be signed, dated, indicate whether the designation is for a **primary** or **contingent** beneficiary, and include all required beneficiary information (full name, Social Security/Tax ID number, date of birth/date of trust, and allocated percentage).

## Section 8 Financial intermediary information (if applicable)

Please use this section to designate financial intermediary and financial representative information on your Putnam account. A financial intermediary is the broker-dealer, bank, or other financial institution through which you purchase shares of the Putnam Funds. The financial representative is the person associated with the financial intermediary who is assisting you with your investments. You may designate a financial intermediary at any time by returning a signed Financial intermediary change request to Putnam Investor Services. Franklin Distributors, LLC ("FD") will be designated as the default broker-dealer of record on your account(s) and will retain all applicable sales charges if any of the following apply:

- You do not designate a financial intermediary below.
- The financial intermediary you designate does not have a selling agreement with FD.

Please note that FD is not a full service broker-dealer and does not provide investment advice. As default broker-dealer, FD cannot assist you with financial planning or provide recommendations, services that are provided by a financial intermediary. If you wish to receive such services, you must designate a financial intermediary.

## Section 9 Agreement and authorization

### Section 9A - Agreement

☐ I do not authorize telephone redemptions. Accept only written instructions signed by me.

Unless I have checked the box above, Putnam Investor Services, Inc. is authorized to act upon redemption instructions received by telephone from me or any other person claiming to act as my representative who can provide Putnam with my account registration and address as it appears on Putnam's records. Redemption proceeds of up to \$250,000 will be sent to me at an address on record with Putnam for at least 15 days. Putnam will not be liable for unauthorized transactions if it employs reasonable procedures to confirm that instructions received by telephone are genuine. I agree to indemnify and hold harmless Putnam Investor Services, Inc. and any Putnam funds that may be involved in transactions authorized by telephone against any claim or loss in connection with any telephone transaction effected on my account.

☐ I do not authorize the mailing of only one shareholder report, one prospectus, or one set of proxy materials if there are multiple accounts in a Putnam fund at my address. Send a separate copy for every account.

Unless I have checked the box above, Putnam Investor Services, Inc. is authorized to send only one shareholder report, one prospectus, or one set of proxy materials for all accounts in any Putnam fund at my address.

I acknowledge that Putnam's privacy policy is available for viewing and printing at <https://www.franklintempleton.com/help/privacy-policy> and Putnam's IRA Plans and Disclosure Statements document is available for viewing and printing at <https://www.franklintempleton.com/forms-literature/download/PIRAD-FORM>.

I hereby (I) adopt The Putnam Traditional IRA Plan or The Putnam Roth IRA Plan (the "Plans") as an individual retirement account under Section 408(a) or 408A of the Internal Revenue Code of 1986, as amended; (II) acknowledge receipt of the Plans and Disclosure Statements; (III) have received and have read a current prospectus of any fund; (IV) appoint PFTC as Trustee; (V) acknowledge that the terms in this agreement mean the same as in the Plan; and (VI) agree that an annual maintenance fee of \$25 will automatically be deducted from the account in accordance with Putnam's annual maintenance fee policy for accounts with a balance below \$50,000 on the day the fee is scheduled to be taken. I also acknowledge that Putnam's annual maintenance fee policy is subject to change.

Federal law requires the Putnam funds to obtain the name, residential or business address, Social Security or tax identification number, and date of birth for each registered owner, including trustees, opening a new account in order to verify their identities. For certain entities such as trusts, estates, or other non-corporate organizations, additional documentation may be required (see the following terms and conditions or call Putnam at 1-800-225-1581). The funds are unable to accept new accounts if any required information is not provided. If the funds are unable to verify your identity, your account will be closed at the then-current NAV, which may be more or less than your original investment, and the proceeds will be sent to you, net of any applicable sales charges. The information you provide may be shared with third parties for the purpose of verification subject to the terms of Putnam's privacy policy.

I understand that under federal tax law I will have 60 days from date of receipt by me to roll over such distribution to another IRA or eligible plan that will accept it. I will consult my professional tax advisor if I have any questions about the tax consequences of any such distribution.

The information you provide may be shared with third parties for the purpose of verification subject to the terms of Putnam's privacy policy.

## Section 9 Agreement and authorization (continued)

### Section 9B - Authorization

I request the transfer and (when applicable) the distribution indicated above. I further certify that all the information on this form, including the Social Security number set forth in Section 2, is true, correct, and complete. I also certify that I have read and understand the tax and withholding consequences described in the most current version of IRS Form W-4R and elect the withholding percentage indicated in Section 5. I authorize the bank/credit union to accept credit entries initiated by Putnam Investor Services, Inc. to the account designated in Section 6, and to credit the same account, without responsibility for correctness thereof or for the existence of any further authorization relating thereto. I agree to indemnify and hold harmless my bank/credit union, the Putnam funds, and Putnam Investor Services, Inc. for any loss, liability or expense incurred from acting on these instructions. I also agree to waive any right under the NACHA rules to rescind any instruction for ACH transactions which have already occurred at the time of the attempt to rescind. This waiver of the rescission right applies to ACH liquidations from the Putnam funds. This authorization may be terminated by me at any time by written notification to Putnam Investor Services, Inc. with reasonable time given to implement my request. I also understand my distribution choices, including my right to defer payments to me under the plan.

I make the beneficiary designation(s) indicated in Section 7 and revoke any previous designations made by me for the Plan. This beneficiary designation is not valid unless it is received, in good order, by Putnam on a date prior to my date of death and maintained in Putnam's records at the time of any request for a distribution or other payment from the Plan(s).

Your withholding rate is determined by the type of payment you will receive.

- For nonperiodic payments, the default withholding rate is 10%. You can choose to have a different rate by entering a rate between 0% and 100% on line 2. Generally, you can't choose less than 10% for payments to payees who are covered outside the United States and its territories.

- For an eligible rollover distribution, the default withholding rate is 20%. You can choose a rate greater than 20% by entering the rate on line 2, but you may not choose a rate less than 20%.

See page 2 for more information.

**Future developments.** For the latest information about any future developments related to Form W-4R, such as legislation enacted after it was published, go to [www.irs.gov/FormW4R](http://www.irs.gov/FormW4R).**Purpose of form.** Complete Form W-4R to have payers withhold the correct amount of federal income tax from your nonperiodic payment or eligible rollover distribution from an employer retirement plan, annuity (including a commercial annuity), or individual retirement arrangement (IRA). See page 2 for the rules and options that are available for each type of payment. Don't use Form W-4R for periodic payments (payments made in installments at regular

intervals over a period of more than 1 year) from these plans or arrangements. Instead, use Form W-4P, Withholding Certificate for Periodic Pension or Annuity Payments. For more information on withholding, see Pub. 505, Tax Withholding and Estimated Tax.

**Caution:** If you have too little tax withheld, you will generally owe tax when you file your tax return and may owe a penalty unless you make timely payments of estimated tax. If too much tax is withheld, you will generally be due a refund when you file your tax return. Your withholding choice (or an election not to have withholding on a nonperiodic payment) will generally apply to any future payment from the same plan or IRA. Submit a new Form W-4R if you want to change your election.**2025 Marginal Rate Tables**

You may use these tables to help you select the appropriate withholding rate for this payment or distribution. Add your income from all sources and use the column that matches your filing status to find the corresponding rate of withholding. See page 2 for more information on how to use this table.

## General Instructions (*continued*)

**Nonperiodic payments—10% withholding.** Your payer must withhold at a default 10% rate from the taxable amount of nonperiodic payments **unless** you enter a different rate on line 2. Distributions from an IRA that are payable on demand are treated as nonperiodic payments. Note that the default rate of withholding may not be appropriate for your tax situation. You may choose to have no federal income tax withheld by entering “-0-” on line 2. See the specific instructions below for more information. Generally, you are not permitted to elect to have federal income tax withheld at a rate of less than 10% (including “-0-”) on any payments to be delivered outside the United States and its territories.

**Note:** If you don’t give Form W-4R to your payer, you don’t provide an SSN, or the IRS notifies the payer that you gave an incorrect SSN, then the payer must withhold 10% of the payment for federal income tax and can’t honor requests to have a lower (or no) amount withheld. Generally, for payments that began before 2025, your current withholding election (or your default rate) remains in effect unless you submit a Form W-4R.

**Eligible rollover distributions—20% withholding.** Distributions you receive from qualified retirement plans (for example, 401(k) plans and section 457(b) plans maintained by a governmental employer) or tax-sheltered annuities that are eligible to be rolled over to an IRA or qualified plan are subject to a 20% default rate of withholding on the taxable amount of the distribution. You can’t choose withholding at a rate of less than 20% (including “-0-”). Note that the default rate of withholding may be too low for your tax situation. You may choose to enter a rate higher than 20% on line 2. Don’t give Form W-4R to your payer unless you want more than 20% withheld.

Note that the following payments are **not** eligible rollover distributions for purposes of these withholding rules:

- Qualifying “hardship” distributions;
- Distributions required by federal law, such as required minimum distributions;
- Distributions from a pension-linked emergency savings account;
- Eligible distributions to a domestic abuse victim;
- Qualified disaster recovery distributions;
- Qualified birth or adoption distributions; and
- Emergency personal expense distributions.

See Pub. 505 for details. See also *Nonperiodic payments—10% withholding* above.

**Payments to nonresident aliens and foreign estates.** Do not use Form W-4R. See Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities, and Pub. 519, U.S. Tax Guide for Aliens, for more information.

**Tax relief for victims of terrorist attacks.** If your disability payments for injuries incurred as a direct result of a terrorist attack are not taxable, enter “-0-” on line 2. See Pub. 3920, Tax Relief for Victims of Terrorist Attacks, for more details.

## Specific Instructions

### Line 1b

For an estate, enter the estate’s employer identification number (EIN) in the area reserved for “Social security number.”

### Line 2

**More withholding.** If you want more than the default rate withheld from your payment, you may enter a higher rate on line 2.

**Less withholding (nonperiodic payments only).** If permitted, you may enter a lower rate on line 2 (including “-0-”) if you want less than the 10% default rate withheld from your payment. If you have already paid, or plan to pay, your tax on this payment through other withholding or estimated tax payments, you may want to enter “-0-”.

**Suggestion for determining withholding.** Consider using the Marginal Rate Tables on page 1 to help you select the appropriate withholding rate for this payment or distribution. The tables are most accurate if the appropriate amount of tax on all other sources of income, deductions, and credits has been paid through other withholding or estimated tax payments. If the appropriate amount of tax on those sources of income has not been paid through other withholding or estimated tax payments, you can pay that tax through withholding on this payment by entering a rate that is greater than the rate in the Marginal Rate Tables.

The marginal tax rate is the rate of tax on each additional dollar of income you receive above a particular amount of income. You can use the table for your filing status as a guide to find a rate of withholding for amounts above the total income level in the table.

To determine the appropriate rate of withholding from the table, do the following. Step 1: Find the rate that corresponds with your total income not including the payment. Step 2: Add your total income and the taxable amount of the payment and find the corresponding rate.

If these two rates are the same, enter that rate on line 2. (See *Example 1* below.)

If the two rates differ, multiply (a) the amount in the lower rate bracket by the rate for that bracket, and (b) the amount in the higher rate bracket by the rate for that bracket. Add these two numbers; this is the expected tax for this payment. To get the rate to have withheld, divide this amount by the taxable amount of the payment. Round up to the next whole number and enter that rate on line 2. (See *Example 2* below.)

If you prefer a simpler approach (but one that may lead to overwithholding), find the rate that corresponds to your total income including the payment and enter that rate on line 2.

**Examples.** Assume the following facts for *Examples 1* and *2*. Your filing status is single. You expect the taxable amount of your payment to be \$20,000. Appropriate amounts have been withheld for all other sources of income and any deductions or credits.

**Example 1.** You expect your total income to be \$65,000 without the payment. Step 1: Because your total income without the payment, \$65,000, is greater than \$63,475 but less than \$118,350, the corresponding rate is 22%. Step 2: Because your total income with the payment, \$85,000, is greater than \$63,475 but less than \$118,350, the corresponding rate is 22%. Because these two rates are the same, enter “22” on line 2.

**Example 2.** You expect your total income to be \$61,000 without the payment. Step 1: Because your total income without the payment, \$61,000, is greater than \$26,925 but less than \$63,475, the corresponding rate is 12%. Step 2: Because your total income with the payment, \$81,000, is

greater than \$63,475 but less than \$118,350, the corresponding rate is 22%. The two rates differ. \$2,475 of the \$20,000 payment is in the lower bracket (\$63,475 less your total income of \$61,000 without the payment), and \$17,525 is in the higher bracket (\$20,000 less the \$2,475 that is in the lower bracket). Multiply \$2,475 by 12% to get \$297. Multiply \$17,525 by 22% to get \$3,856. The sum of these two amounts is \$4,153. This is the estimated tax on your payment. This amount corresponds to 21% of the \$20,000 payment (\$4,153 divided by \$20,000). Enter "21" on line 2.

## Medallion Program Signature Guarantee

A Medallion Program signature guarantee is a form of signature guarantee that is a stamped assurance provided by a financial institution that guarantees that a signature is genuine, the signer is an appropriate person to sign and the signer has legal capacity to sign. The purpose of a signature guarantee is to protect transfer agents and shareholders against loss from fraudulent signatures on instructions in connection with securities transactions, which are defined as the sale, assignment, transfer or redemption of a security. A Medallion Program signature guarantee provides additional protection against fraud by using special security ink, a bar code that can be scanned to identify a stamp that has been reported lost or stolen, and a prefix code that discloses the maximum transaction value covered by the stamp (see chart below). The guarantee should **not** be dated.

Prefix Letter	Liability Limit per Transaction
Z	\$10,000,000
Y	\$5,000,000
X	\$2,000,000
A	\$1,000,000
B	\$750,000
C	\$500,000
D	\$250,000
E	\$100,000
F	\$100,000 (credit unions only)

The letter prefix of each identification number signifies the amount of the surety bond obtained by the guarantor. The amount of coverage associated with the corresponding prefix is detailed above.
