Franklin ClearBridge Enhanced Income ETF (CUSIP 524682309) has declared a dividend of $0.298600 per share payable April 06, 2026, to shareholders of record as of April 01, 2026. It is currently estimated that $0.099573 per share represents net investment income, $0.00000 per share represents gain from the sale of securities, and $0.199027 per share represents return of principal.

In compliance with Rule 19a-1 of the Investment Company Act of 1940, each statement details to shareholders the source of income for each dividend such as net investment income, gain from the sale of securities and return of principal. Please note: Determination of the actual source of the fund's dividend can only be made at year-end. The actual source amounts of all fund dividends will be included in the fund's Annual Financial Statements And Other Information or Semi-Annual Financial Statements And Other Information.

In addition, the tax treatment may differ from the accounting treatment used to calculate the source of the fund's dividends as shown on your statement. Please refer to your Form 1099-DIV for the character and amount of distributions for income tax reporting purposes. Since each shareholder's tax situation is unique, please consult your tax advisor as to the appropriate treatment of fund distributions.
